**GOVERNMENT OF ANDHRA PRADESH**
**ABSTRACT**

Municipal Administration & Urban Development Department – Mangalagiri Tadepalli Municipal Corporation – Comprehensive Water Supply Improvement Scheme – Administrative Sanction for Rs. 111.50 Crores to be tied up from CRDA for Extended Areas of 15 Merged Villages – Orders – Issued.

==========

MUNICIPAL ADMINISTRATION & URBAN DEVELOPMENT (UH) DEPARTMENT

**G.O.RT.No. 517** **Dated: 06-06-2025**

Read :

From the Engineer-in-Chief (PH) (FAC), PH & ME Dept., Tadepalli, Guntur, Lr. No. 95/AEE/T3/MTMC/WS-DPR/2025, Dated 16.04.2025.

******

**ORDER:**

The Engineer-in-Chief (FAC), Public Health & Municipal Engineering Department, Tadepalli, Guntur District, in the reference read above, has submitted that the Commissioner, Mangalagiri Tadepalli Municipal Corporation (MTMC), has forwarded a Detailed Project Report (DPR) for a Comprehensive Water Supply Improvement Scheme for the entire MTMC area, with a total estimated cost of Rs. 450.24 Crores. The scheme aims to provide protected water supply to the erstwhile Urban Local Bodies (ULBs) of Mangalagiri and Tadepalli and the 15 newly merged villages (excluding 6 villages proposed for CRDA merger).

2. The Mangalagiri Tadepalli Municipal Corporation (MTMC) was formed by merging Mangalagiri and Tadepalli Municipalities with 21 villages, vide G.O.Rt.No. 19, MA&UD Department, Dated 23/03/2021. A previous water supply scheme under the Asia Infrastructure Investment Bank (AIIB) was sanctioned for Rs. 221.52 Crores (Mangalagiri; Rs. 98.09 Crores; Tadepalli; Rs. 123.43 Crores), but the works were stalled due to funding constraints, with partial completion of distribution networks and Elevated Level Service Reservoirs (ELSRs). The 15 newly merged villages lack protected water supply, necessitating a comprehensive scheme with the Krishna River as the source.

3. The Detailed Project Report (DPR) encompasses water intake and treatment facilities, distribution networks for the 15 merged villages and balance areas of the erstwhile ULBs, and completion of pending AIIB scheme works, including ELSRs and distribution networks. The scheme is designed to cover the ultimate population projection up to 2056. The funding for the project cost of Rs. 450.24 Crores is proposed as follows:-

- UIDF: Rs. 287.54 Crores (for balance works of erstwhile ULBs).
- AMRUT 2.0: Rs. 51.20 Crores (for water supply infrastructure).
- Balance Amount: Rs. 111.50 Crores (for extended areas of 15 merged villages).

Contd..2.,

4. The Engineer-in-Chief (PH) (FAC), PH & ME Department, Tadepalli, has requested administrative sanction for Rs. 111.50 Crores and funds allocation from the State Government to provide protected water supply to the 15 merged villages of Mangalagiri Tadepalli Municipal Corporation (MTMC) on par with Tadepalli and Mangalagiri.

5. After careful consideration, the Government hereby accord administrative sanction of Rs. 111.50 Crores to be tied up from the Capital Region Development Authority (CRDA) for the implementation of the Comprehensive Water Supply Improvement Scheme for the extended areas of the 15 merged villages of Mangalagiri Tadepalli Municipal Corporation.

6. The Engineer-in-Chief (PH), (FAC), Public Health & Municipal Engineering Department, Tadepalli, Guntur, and the Commissioner, Mangalagiri Tadepalli Municipal Corporation, are directed to take necessary action to coordinate with the CRDA for the release of funds and to ensure expeditious implementation of the scheme, adhering to all relevant guidelines, norms, and procedures.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
